DEDICATION

The Clintonia Staff and the Senior Class of Clinton Community High School are honored to dedicate this yearbook to Mr. Tims A. Quinn. As a business teacher and member of the CCHS staff for 5 years, Mr. Quinn has taught General Business, Business Math, Consumer Economics, Personal Typing, Business Law, and Data Processing to any student wishing to better understand the business world. Before teaching, Mr. Quinn held a satisfying position in sales. With a Bachelor of Science Degree from the University of Mississippi and a Master of Arts Degree from the University of Illinois, he left his sales career to enter the teaching field. Whoever has been lucky enough to have had Mr. Quinn as a teacher knows of the lasting bond formed between Mr. Quinn and his students. It is a bond of friendship and enjoyment which is radiated by this very deserving man.

Getting The Student

The life of a Clinton High School student isn't complete without its social activities. These activities include such things as the Homecoming Dance, parade and game; the spring and fall plays, special assemblies. These activities add excitement, enthusiasm and most of all, enjoyment to a student's everyday life.

Homecoming Parade Is Huge Success

The 1975 Homecoming Parade was a huge success this year. The following organizations contributed towards making the parade a success: G.A.A., F.N.C., F.H.A., National Honor Society, Band, Pon Pom Girls, Freshman, Sophomore, Junior, and Senior classes. Winning first place was the G.A.A. float "No Trick Just Treat us a Victory", second place Junior class "Wash Out The Grey," and third place F.N.C. "Skunk Em".

The success of the parade can also be attributed to the organization of the Student Council and to the Clinton residents and students who attended the parade and cheered the team on to a victory.

Clinton Stuns I.V.C. In 1974-75 Homecoming

The Fighting Maroons of Clinton High turned back the Chilli-cothe Grey Ghosts in tough battle on Sprague Field Friday, October 18, 1974, to win their first Heart of Illinois Conference Game and their Homecoming by a score of 9-6. The team was up for this game since it was their Homecoming, but mainly because Jack Mills was given permission to leave the hospital to attend the game. Mills was in the hospital recovering from a broken leg sustained in a previous game. The air was filled with excitement as the Maroons took the field, for everyone knew that this game would go to the Maroons. Both teams played a good game, but our boys came out on top.

This year a total of twenty eight girls competed for Homecoming Queen. A run-off ballot narrowed the field to only seven girls. Then, a school assembly

ballots for Queen were taken. During halftime of the Homecoming Game, Julie Seymour was crowned the 1975 Homecoming Queen.

Homecoming Dance

The High School commons was the setting for the 1974 Homecoming Dance held Saturday, October 19. The group "Ginger" played the music for the dance which started at 8:00 p.m. and ended near 11:00 p.m. Around 9:30, the traditional Homecoming Queen Dance featured the 1974 Homecoming Queen, Miss Julie Seymour and her escort Phil Smith.

As the band played on, everyone danced and had a great time.

Right: Florence (Stephanie Hazel), Mary Mae (Toni Thompson), and Mrs. Savage (Julie Decker) wear out the carpet evenly. Top: Dr. Emmett (Terry Cray) discusses medical procedure with Senator Savage (Ralph Shallenberger) and Judge Samuel Savage (David Weinberg).

Drama Club Presents: *The Curious Savage*

The fall presentation of the Drama Club for the 1974-1975 season was *THE CURIOUS SAVAGE*; a three-act comedy with an ironic twist. The play is about an eccentric, loving, elderly woman named Ethel P. Savage. The plot concerns her struggle to change her stepchildren from being greedy and power hungry, to kind and considerate people.

Also drawn into the story, are her friendships with her fellow inmates of "The Cloisters," a rest home for disturbed, but peaceful folks in which her stepchildren have had her placed.

The production was directed by Mrs. D. Ann Jones and she was assisted by many students who helped out behind the scenes. With an lib version of part of the third act on opening night, the show came off without a hitch.

Mrs. Savage's stepdaughter (Julie Weaver) tries to persuade her stepmother to give up her fortune while the Senator and Judge evaluate the situation.

Miss Willie (Leesa Rogers) welcomes Mrs. Savage (Julie Decker) to "The Cloisters". Top: Hannibal (Keith Brendly) tunes up in preparation for a violin solo.

The Future Homemakers of America held their annual Sweetheart Dance, February 15 in the C.C.H.S. commons. The theme for the dance was "Fantasy in Frost."

At the entrance to the commons a large heart was placed through which couples could pass. In the center of the commons stood a bird bath setting and around the walls were painted pictures of fairy queen characters. On each table there were blue tablecovers and small doll like ceramic centerpieces.

Attending the Sweetheart Dance were 130 couples of C.C.H.S. students and guests.

Refreshments for the dance were served and prepared by the Food Service class. Refreshments consisted of home-made cookies and fruit punch.

Music for the dance was provided by Tobias.

First Musical In Years

Drama Club Presents L'il Abner

The Drama Club brought the musical back to Clinton High School on May 2, 3, and 4 by presenting L'IL ABNER, a musical play. The play was an enormous success with full houses on both nights.

The play, which follows the comic strip of the same name, is set in Dogpatch U. S. A., a community of extremely different social, economic, and recreational customs. The major plot of the story concerns Daisy Mae, played by Jan Turney, and L'il Abner, played by Allen Wade. Throughout the play Daisy tries to catch L'il Abner so that they can be married. The remainder of the play is made up of the involvement of the townspeople with everything from atom bomb test to the Sadie Hawkins Day Race.

The success of the play was dependent mainly on two things. These were singing and acting. Needless to say, the cast of L'IL ABNER did a good job at both. With the fine job of singing and acting of Jan Turney and Allen Wade came Davis Reeves who portrayed Marry'in Sam, a character akin to a justice of the peace.

Because of the complexities of the play, this was one of the most expensive productions that Clinton has produced. Even though the play was more expensive to produce, everyone worked hard to sell their tickets and fill the seats. Their work was rewarded since the play was a success both dramatically and financially.

As directors of the play, Mrs. Jones and assistant director Ralph Shallenberger spent much time in planning and rehearsals. They had their work cut out for them as they were to create actors and singers out of over 100 students in only two months. Besides the main directors there were separate directors for choreography and music. Mrs. Arnold and Mr. Garrison filled these positions and added their part to create the successful production. As the rehearsal schedule advanced everyone's hard work began to pay off. Then, when it came time for the curtain, everybody saw and heard the results of the hard work of the cast and crew as the show went on without any complications all three nights.

All-School Carnival

This year the All-School Carnival was held on May 16. Many of the various clubs and organizations participated in the carnival. The French Club was responsible for organizing the carnival and they also sold French pastries. Some of the other organizations participating were: the Cheerleaders with Bingo games, G.A.A. with a dunking machine, the Classical club selling Tacos, National Honor Society selling pronto pups, and the staff of Clintonia selling pictures from previous yearbooks.

The annual Honors Dinner was held in the commons on Monday, May 12. For a student to be eligible for the Honors Dinner, he or she must have a 3.51 or better grade point average for the first three quarters of the year. This year there was a total of 48 students eligible to attend the Honors Dinner. Among these were 10 seniors, 11 seniors, 19 sophomores, and 8 freshmen.

After the dinner, entertainment was provided by some musical selections from the spring play "Lil Abner," sung by Jan Turney, Dave Reeves, and Al Wade. The evening was climaxed by a speech from Dr. Thomas Larkin, President of the school board to the students attending the Honors Dinner. With the presentation of the honor students' medals by Mr. Glenn, the evening was finished.

57 Seniors Enjoy Class Trip To St. Louis

On Monday and Tuesday, May 26 and 27, fifty-seven seniors went on the Senior Class Trip. The trip started at 6:30 with the first stop being breakfast at Litchfield. After arriving in St. Louis, the afternoon was spent at the Zoo. After four hours of fun, everyone left for the Stouffers Hotel on the river front. Once settled in the hotel, everyone did his own thing, from swimming and playing tennis to riding the elevators.

Dinner the first night was a unique occasion. Steaks and seafood were on order as the seniors visited the "Robert E. Lee," a riverboat docked at the wharf used for a restaurant. Monday night was baseball time as all 57 seniors and chaperones took in a Cardinal Game at Busch Stadium. A moment of fame was added to the night when "Seniors of Clinton High" was flashed on the scoreboard. Sometime between the game and the next morning came bedtime.

Tuesday was a day at Six Flags for the Seniors. Everyone enjoyed the rides and exhibits. All good things must come to an end as did the class trip at 9:15 on Tuesday, giving the Senior Class its last outing as a group.

ADMINISTRATION & FACULTY 1975

Board Of Education

The Clinton Unit School District #15 is under the direction of the Board of Education, made up of seven members. The officers are: President- Dr. Thomas J. Larkin, Vice-President- Mr. Fred Price, Secretary- Dr. Harrold Allen. Other Board members are Mr. Walker Evans, Mr. Virgil Harbach, Mr. Herbert North, and Dr. Harrold Weinberg. The Board has many responsibilities to the surrounding unit schools. Some of their responsibilities are to keep records of the school year, establish rules, visit and inspect schools, appoint teachers and fix salaries, decide what textbooks and equipment are needed, decide what courses should be offered, and provide revenue.

Unit Administration

BOARD OF EDUCATION: Dr. Harrold Weinberg, Mr. Virgil Harbach, Mr. Fred Price, Vice-President; Dr. George Edwards, Superintendent; Dr. Thomas Larkin, President; Dr. Harrold Allen-Secretary; Mr. Walker Evans; Mr. Herbert North.

MR. GARY ARCHEY-Assistant Superintendent

DR. GEORGE EDWARDS

Unit Administration

The Board of Education is advised by Superintendent Dr. George Edwards. Dr. Edwards received his P.H.D. from Southern Illinois University. This is Dr. Edwards third year as superintendent in the unit. Mr. Gary Archey is the assistant superintendent for the unit with curriculum being his major responsibility. This is his fifth year in this position. Mr. Archey received his B.S. and M.S. in Education from Eastern Illinois University. Mr. Max Stites is business manager for the Board of Education. He is in charge of the payroll for the unit employees, and also takes care of all school debts and purchases of the unit. Mr. Stites received his B.B.A. from the University of Miami.

- Superintendent

MR. MAX STITES-Business Manager

Central Office Secretaries, Left To Right: Phyllis Oakman, Janice Myers, Sharon Miller, Peggy Nixon, Bea Luker (Seated).

"After having completed my second year as principal of Clinton High School, I can say that I have enjoyed the opportunity of working with modular scheduling and with the fine faculty and student body that we have here. Modular scheduling makes for a school that is more responsive to students' wants and desires and that encourages communication between the students and faculty. I look forward to a continued association with Clinton Community High School."

"In the two years that I have been assistant principal, Clinton High School has made great strides toward improving the acceptance of the new modular program.

The students have responded well to accepting the consequences of their actions.

Since the induction of the Restricted Area, attendance, class skipping, and respect for others has improved greatly. This has enabled the school personnel to work with more students on a personal basis, and at the same time giving them more responsibilities, resulting in more spirit and pride in their high school.

With continued concern on the part of students, teachers, administrators, and townspeople, I see no reason why this school cannot become an outstanding educational institution."

Charles Glenn

Gary H. Reineck

Charles Craig Glenn, principal; B. S. Indiana University, M. S. Western Illinois University.

Gary H. Reineck, vice-principal; B. S. University of Wisconsin, M. S. University of Wisconsin.

"I like modular scheduling, it's good for the students. I think the school has a fine faculty. All the teachers are dedicated to their teaching. The main problems we have are class skipping and the attendance. Most of the students can handle the modular scheduling and the responsibilities that go with it."

Business Department

The business program is part of the overall educational plan and a contributor to the total education of the individual. Some of the goals of the business department are: 1. Help pupils explore the world of work, to assist them in occupational choice making. 2. Provide practice in what has been learned in the classroom and assist in the transition from school to job. 3. Develop general and specific occupational skills, knowledge and attitudes necessary to enter into a) useful, gainful employment, b) employment at the learner's level. 4. Recognize the need for continued specialized training and re-training throughout one's career. 5. Develop an appreciation for and knowledge

and understanding of the social and economic aspects of work, employment, and productivity.

The business department has had four teachers this year. The department head, Mr. Harden, has been at Clinton High School for 19 years. He teaches Typing 1 and Accounting. Mr. Quinn has been here for 5 years and teaches Business Law, Business Math, General Business, Data Processing and Typing 1. Mrs. Allison the business department's newest teacher has been at C.C.H.S. for one semester. She now teaches Mrs. Blue's classes of Shorthand, C.O.P., and Typing 2 and 3. Mrs. Blue retired after having taught at Clinton High School for 8 1/2 years.

Home Economics Department

Compared to many of the subjects offered at C.C.H.S., there basically are more selective classes in the Home Economics department. There has been a wide increase in the Foods and Clothing classes taken. Other selectives offered are Interior Decorating, Family Living, Child Development and Hero. Hero is a new program this year which gives the student an opportunity to work in the community for school credit. The Home Economics Department consist of three

teachers: Mrs. Cathy Frost who is in her third year at C.C.H.S. and who teaches Clothing 1, Sewing for Profit, Needle Trades, Family Living, Hero and Interior Decorating; Mrs. Lois Hieronymous, who is in her seventeenth year at C.C.H.S., and teaches Foods 1, Meal Planning, Food Service, Chef's Cookery and Child Development; Mrs. Diane Voigt, who is in her first year at C.C.H.S. teaches Family Living and Foods 1. She also is a part time teacher's aid.

English Department

Clinton Community High School's English Department is comprised of seven staff members and a half time reading specialist. The curriculum, basically traditional, offers students both college prep and practical English courses.

The purpose of the English Department is first to serve the needs of the students in the community--that is through Language Arts and communication. The department hopes to prepare students to realize their own potential as responsible members of society. This year the department has offered students the following elective courses: Speech, Creative Writing, Margol (newspaper), Clintonia (yearbook), Developmental Reading, and English Literature. Next year Drama and Imaginative Writing will be added.

Bottom; Myra Westray, B.S. - Illinois State University.

Top; James R. Adcock, B.S. - Eastern Illinois University, M.S. Western Illinois University.
Bottom; Kathleen Willoughby, B.A. - Illinois State University.

Tom Bartkus is the head of the English Department. He teaches Creative Writing, English IIIB and IIA, and is the Margol advisor. He has been at CHS for 2 years. James R. Adcock teaches English IB, IIC, and IIIA. He has been at CHS for 13 years. Kathleen Willoughby teaches English IA, IIC, and IIIB. She has been at CHS for 10 years. Reta Rinkenberger, who has been at CHS for 7 years, teaches English IB, IIA, and IIC. Kathleen Miller teaches English IC, IIIA, and IIB, and is the Clintonia advisor. She has been at CHS for 2 years. D. Ann Jones teaches English IA, IIB, IVB and Speech and has been at CHS for 2 years. The half time reading specialist is Mark Evans who also teaches History.

"The purpose of our English Department is first to serve the needs of the students in our community."

The major goal of the Mathematics Department is to provide a mathematical education for students of all ages; the purpose being to teach them as much as they are capable of learning. The program has been the same and only a few minor adjustments will be made for next year.

The Math Department consists of four teachers. The department head, Mr. Wylder, has been at C.C.H.S. for 11 years. He teaches Algebra II-Trigonometry, Math IV, and Calculus. Mr. Henry has been here for 3 years; besides teaching the regular math courses of Algebra I, Math I and Technical Math, he teaches the one photography class. Mr. Worthall, like Mr. Henry, has been at C.C.H.S. for 3 years. He teaches Math I and Geometry. Mr. Worthall has a minor degree in Chemistry and his M.S. in Physical Education. This summer he will receive his Masters degree from the University of Illinois. This year was Miss Belanger's first year at C.C.H.S. She teaches General Math, Algebra I, Geometry, and Technical Math.

Physical Education Department

This year's physical education department established certain goals for itself. Headed by Mr. Jenkins, the P.E. program tried to provide every student with an opportunity to take part in many varied sport events. One of the main objectives of the P. E. department this year was to help the C.C.H.S. students acquire attitudes, ideas, and concepts that would help them

participate in society. This year's program was improved by the addition of bowling and archery.

The department head, Mr. Jenkins, taught at Clinton for one year. He graduated from Macalester College in 1962, and is presently working on his Master's at NIU in Dekalb. Mrs. Kratz, who has been here for 15 years, graduated from Southern Illinois University with a B.S. in P.E. She has done some graduate work at the U of I. A graduate of I. W. U. with a music major and a P.E. minor, Mrs. Helm has been teaching at C.C.H.S. for 14 years. The other male member of the department, Mr. Austin, has been at Clinton for 11 years. Mr. Austin graduated from Eastern Kentucky in 1956, later receiving his Master's in 1963.

Driver's Education

The Driver's Education Department is always a busy department of the school and this year was no exception. This year the department set a goal of trying to teach students safe driving and safety precautions. They also worked to eliminate the summer classes that had been offered in past years. To do this another full-time teacher was added, Mr. Neibch, along with the part-time addition of Mr. Jenkins, the department chairman. This made a great difference in the number of students able to take the course during the regular school year.

The Driver's Education Department contains Mr. George Williams who has been here for 10 years, and Mr. William Neibch who completed his first year here at CCHS.

Science Department

The Science Department of Clinton Community High School, headed by Mr. Galen Strain, set several goals to achieve this year. One goal was to provide a variety of science education courses with the purpose of helping the students gain practical laboratory skills.

Top: Mr. George Williams, B.A.-Utah State University, M.S.-Southern Illinois University.

This year the department received new biology textbooks and a new Counter for the south side of the laboratory. New programs that were offered this year included Chemistry II, a basic college chemistry course, and Genetics, an independent study course. All the Science teachers agree that these changes were for the better.

The Science Department includes: Mr. Galen Strain, who has taught at CCHS for 12 years. Courses

under his instruction are Physics, Chemistry, and Mathematics; Mr. Charles Lehman who has taught at CCHS 11 years and has Lab Technology, Biology II, and Genetics; Mrs. Betty Kline, in her seventh year of teaching, teaches Biology I and General Science; Mr. Joel White, who has been here for 3 years teaches Chemistry II, and General Chemistry; Mr. James Monroe who teaches Chemistry I and General Science has been here for 3 years also.

Where did we come from? How did we get here? Why do we behave as we do? These questions are explored and studied in Clinton by taking Western Civilization, American History, Psychology, Sociology, Government and Economics. And for finding out the plain, everyday economic facts of life, there's Consumer Education.

Do you want to learn the French and/or Spanish language? Are you interested in how the French and Spanish live, their customs, their backgrounds, their cultures? Do you want to fulfill a college foreign language requirement before you even get there? Four years of French and four of Spanish are offered to Clinton students. Four years will fulfill the two-year foreign language requirement at most universities. The Clinton student can learn to speak, read, and write in his chosen language, and learn about the French and/or Spanish life. Add to this the fun and work of the annual French Carnival, the French Banquet, and Classical Club, and you will realize how much is here for you.

Music means fun and pleasure all your life--and now, too! Be a performer as well as a listener. In Clinton's music department, students can learn some basic principle, sight-reading, playing, singing, and music appreciation. They get to take part in musicals, concerts and, best of all, learn to work with others. An added attraction for the appearance minded--attractive choir robes and sharp, new uniforms for the band. Groups you might join? Concert Band, Marching Band, Stage Band, Choir.

Creativity! Self-expression! Craftsmanship! What satisfaction and enjoyment these bring. Clinton's Art Department offers Painting, Ceramics, Sculpture, Commercial Design, Introduction to Art, Drawing, and Crafts--in other words, something for everyone who is interested and willing to learn. An added bonus

in that you are learning something that will enrich your life no matter how long you live, or where you live.

Mrs. Analee Karr, department head, teaches Western Civilization, Government and Economics and has been at C.C.H.S. eleven years. Mr. Roy Thompson teaches American History and Psychology and has been here seventeen years. Sociology, Consumer Education, and American History are taught by Mike Arnold who has been here three years. Mark Evans teaches Western Civilization, American History and Reading and is a first year teacher. Mr. Richard Glasson has been here eleven years and teaches Spanish 1-4. Mrs. Phyllis Arnold teaches all the art classes and has been here five years. Mrs. Julie Barham, a first year teacher, teaches French 1-4.

Guidance Department

The guidance department contains two experienced counselors, Mr. Stuart Coon and Mrs. Carolyn Glasson. Mr. Coon, who is the department head and is also Student Council adviser, has been at CCHS two years. Mrs. Glasson, who has been here 11 years, has a Freshman Guidance class and helps Mr. Coon in a special class called Group Counseling. They both help students in scheduling, with personal problems, and in reaching their future goals.

Special Services

The Special Services Department consists of three areas besides the Guidance Office. These are: the Library, Special Education, and the work programs. Mr. Coon is head of these areas. Mrs. Simmons is in charge of the library, Mr. Conrad is in charge of the work programs and, Mrs. Baldwin is over the special learning class.

Each of the areas of the Special Services Department has their own purposes. The Library provides many services to the students and faculty members in our

school. Among these are: reference materials, pleasure reading books and magazines, and a Library Science Class through which students learn how to use and work in a library. Special Learning class is a program where students are integrated into regular programs. Once in these programs they are capable of performing well and experiencing success. In the classroom students are in an instructional program progressing at their own rate and are reinforced from their learning in the regular programs. The third part of the department is Cooperative Vocational Education. It provides a student work program which creates a constructive and progressive transition from school to useful employment for high-school youth.

Agriculture And Industrial Arts

This department consists of Agricultural and Industrial Arts educational and occupational programs. Mr. Donald Prather is the head of the department and this is his 9th year at C.C.H.S. He teaches plant and animal science, small engines, and electric wiring. Mr. Gerald Hudson has been at C.C.H.S. for 5 years and his classes include Metals I and II and welding. Two of the newer teachers are Mr. William Ritter and Mr. Peter Vanderkloot. Mr. Ritter teaches agriculture machines and service, conservation, and auto mechanics, and has taught here 3 years. This is Mr. Van-

derkloot's second year at C.C.H.S. and he teaches woods, and drafting.

The purpose of the department is to provide occupational skills and experiences in different career areas for the students use after graduation. Some of the improvements of the department this year have been the addition of a new engine analyzer, mill, surface grinder, and a metal band saw. The department also has an advisory committee for agriculture and industrial education. This committee consists of people of the community who make recommendations to the department.

Next year the department would like to add a building trades program. The agriculture seminar class and the independent study program will be offered again next year to give extra work in interested areas and increase the number of students in agriculture business.

Concert Band

The purpose of the Clinton High School Band is to Provide the best possible musical experience for the members of the band. To be successful at this first goal requires a feeling of responsibility towards the band and its other members. Functioning as a pep band, the C.C.H.S. band tries to boast school spirit and provide a musical background of entertainment.

During the "74-75" school year, the concert band has participated in the Morris Corn Festival Parade, performed at all football and basketball games, and pep rallies. Among others, contest and spring concert were important events of the year. A performance was given in Pontiac at the Homecoming parade and game.

Officers of the concert band were: Charles Sears, president; Keith Brendley, vice-president; Julie Jenkins, secretary; Nancy Lane, freshman representative; Kevin Thomason, sophomore representative, Brad Epperson, junior representative; and Judy Reinhart, senior representative.

Junior Varsity Cheerleaders

The 1974-75 J.V. and Varsity cheerleaders put forth a great effort in trying to arouse Clinton High spirit this year. During the early part of the summer the Varsity attended a week long clinic at Illinois State University where they learned new cheering methods and techniques taught by the ISU cheerleaders. The cheerleaders were chosen in the early spring of 1974 when a lot of effort was put forth in the tryouts. Those elected for the squad began their work in the fall and continued through two sports seasons here at Clinton High.

Chorus

The Chorus at Clinton High School is open to any student who is interested in being a part of a vocal music organization. It is a performing musical group which demands a commitment from each member of the organization. The organization is successful only to the degree with which this commitment is met by all its members. The chorus has performed at assemblies, at the Christmas Concert, the Spring Concert, State Contest, and also at Solos and Ensembles Contest. Great effort was shown in each of these by the members of the group.

Classical Club

The purpose of the Classical Club is to further interest in foreign languages and provide social activities. The group held a car wash in the spring and participated in the French Carnival. President of the Classical club was Mary Glasson; vice-president was Anita Schmidt; and secretary-treasurer was Jenny Fields.

Clintonia

David Holt was the editor of the '74-'75 yearbook with Mrs. Kathleen Miller as an advisor. Other club officers were Cyndie Huff, Art Editor; Julie Seibert, Copy Editor; Lisa Rinkenberger, Photography Editor; and Denise Powers, Business Manager. In the fall the club's two biggest money-making projects took place: selling ads to local businesses, and selling '74-'75 school yearbooks. They also sold pictures from last year's yearbook at the French carnival. The purpose of the Clintonia club is for all members to work together throughout the entire year in order to produce for the student body and for years to come, the best possible yearbook that will represent events and preserve memories of the school year. The putting together of the yearbook is an intricately involved process that requires many, many hours of sincere work and devotion by the staff, coupled with the very necessary cooperation by all faculty and students involved. Without these two elements, a yearbook would never be produced.

Future Farmers Of America

The purpose of the Future Farmers of America is to give students an opportunity to learn more about agriculture, their surroundings and community, and to develop leadership qualities in students through various activities locally, and also on the state and national levels.

The 1974-75 FFA club officers were President - Jeff Spencer; Vice-President - Rhonda DeMent; Secretary - Leesa Rogers; Treasurer - Randy Carter; Reporter - Marianne Spurrier; and Sentinel - Tom Rogers; The advisers of the organization are Mr. Prather and Mr. Ritter.

FFA projects consisted of school landscaping, "Feast or Famine" plots, and a Parent-Member Banquet. The group assisted the Farm Bureau Women's Committee with its "Clear the Corners" project, helped to decorate the town square with flower pots, and attended the National Future Farmers of America Convention. This past year the FFA was a section winner in Safety, Chapter Activities, and Cooperative Activities.

Individual awards were won by Rhonda DeMent in Section Star Farmer, Agriculture Star Award, and District Dairy winner. Marianne Spurrier won second place in district public speaking. There were nine other section foundation winners.

A typical F.H.A. meeting.

Future Homemakers Of America

The goal and purpose of the F.H.A. organization is to help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement. The club had a very busy year involving such projects as a fall weiner roast, participating in the Section 4-C rally at Mowequa, building a float for the Homecoming parade, having an "awards night," installing new officers, and sponsoring the Sweetheart Dance. F.H.A. officers are: President- Linda Bistrow; Vice-President- Carla Dillow; Treasurer- Vicki Edwards; Historian- Helen Brady; Photographer- Jean Boesdorfer; Welfare and Recreation- Karen Kuntz.

Future Nurses Club

The future Nurses Club at Clinton High School serves to stimulate an interest in the nursing profession and related medical careers. The local hospital cooperates with the club in allowing them to work as volunteers in many of the departments.

This year F.N.C. participated in the Homecoming Parade, sold stationery, and had a booth at the French Carnival.

The officers for this year were: President-Stephe Hazel; Vice-President - Lisa Rinkenberger; Secretary-Cindy Fink; and Treasurer-Yvonne Nelson.

The Future Nurse's float Skunk 'em won third place this year in the Homecoming Parade.

French Club

The French Club provides a place where any French students can come together to enjoy activities; promotes joint activities by students of all classes; and provides the opportunity for teachers and students to meet in an informal atmosphere. Chairmen are elected for each activity and monthly chairmen plan the activities.

During the fall the club had a weiner roast and picnic at Weldon Springs. Mrs. Rutherford, our past French teacher, came back as guest of honor. In the Spring they planned and organized the all school carnival, "Spring Fever Strikes Again", which promotes participation by all the organizations in the school. This is their major fundraising activity. At Christmas the club decorated the hallway and had a Christmas party afterwards.

Girl's Athletic Association

The Girls Athletic Association is a very active club. Among the activities it sponsors are volleyball, softball, bowling, hiking, swimming, kickball, and dodgeball. Not only is the G.A.A. active in sports, but, also in projects. This year the G.A.A. produced the first place winning float in the Homecoming Parade. Distributing fliers for Ben Franklin as a money raising project was another activity with which the G.A.A. was involved. They also sponsored a dunking machine at the French Club Carnival. Club officers include: President-Sally Utterback, Vice President-Darla Karr, Secretary-Lisa Rinkenberger, Treasurer-Darlene Jost Woolridge, Student Council-Judy Reinhart, Points Coordinator-Tami Spencer, Advisor-Mrs. Frost, Assistant Advisor-Miss Belanger, and Sports Manager-Susan "B." Letterman's Club

During the 1974-75 school year the Letterman's Club was supervised by Mr. Neibch. No club officers were selected, however they will be next year. One of the major projects of the year was sponsoring the concession stands at varsity sport events, with Mr. Lehman in charge of this project.

The main purpose of the Letterman's Club is to encourage the Clinton Maroon athletes to be involved in their school, to perform as well as they are capable, and to compete in a manner which would make their school and community proud of them.

Library Club

The purpose of the library club is to unite the students who work in the library and to have social activities for fun and relaxation. This year's President was Marvetta Finfrock. The Vice-President was Ed Harpenau and the Secretary-Treasurer was Chuck Hawes. During the year the library club members participated in a weiner roast, a bowling party, and an annual Christmas dinner and gift exchange. The club sponsor was Mrs. Simmons.

Margol

The Margol is the name of Clinton High School's weekly newspaper. For the 1974-1975 school year, Jann Austin was the editor and Mr. Bartkus was the club sponsor. This year the Margol staff had a car wash and a picnic.

The purpose of the Margol is to represent the school and serve the school by faithfully reporting the school news. The Margol's chief goals this year was to raise the school spirits and inform the community of the schools activities. In the coming years the staff hopes to continually improve the quality and thoroughness of their reporting of school news.

Pepperettes

Pepperettes, the name of Clinton High School's Pom Pom Squad, is a girls organization that performs at all football and basketball home games. This year the girls took part in contest and clinic at Kewanee, Illinois. They came home with a trophy for Outstanding Music Selection.

The Pepperette captains this year were first semester- Darlene Jost Woolridge, second semester- Debbie Gholson.

During the basketball season the girls had two costume routines as specials: "The Tribute to the 50's" performed to the Music of "Peppermint Twist", and "Rock Around the Clock". Also they did a hillbilly number to Blue Grass banjo music.

The money-raising event for the Pepperettes this year was selling Clinton Maroon hats, scarves, and mittens.

Fall Induction

The National Honor Society consists of students who excel in scholarship, service, character, and leadership. Besides assisting at the open houses, the National Honor Society members also tutor students in need of help and have a booth at the French Carnival. Officers for the 1974-1975 school year were David Weinberg, President; Mary McConnell, Vice-President; Julie Seymour, Secretary-Treasurer; Stephanie Hazel, Student Council Representative. If a student belongs to National Honor Society, there will be a seal indicating this on his diploma, and also one on transcripts sent to colleges.

Student Council

The main purpose and function as part of the school system is to involve students in the governing affairs of the school and such as Homecoming and services for the students.

Some of the projects completed in the 1974-1975 school year were: sponsored and produced the Homecoming, "Paper Moon," which was a success; updating the old council constitution; participating in a student exchange with Tri-Valley and Olympia High Schools, which was a very rewarding experience. We also sponsored some dances: "The Free Fare" and a benefit for the hospital which raised about \$150.00 for the building fund, featuring "Breaking Point". The council also purchased a display case for the Commons. This will contain a place for special announcements. Also provided was the Trophy cases for the school in conjunction with the School Board and last year's Student Council. They went to the school board on various occasions. So all in all, they have been very active this year. They have tried to make the school realize that the student government is here to help make this school a better place to learn and earn achievement.

Usher's Club

The main function of the Usher's Club is to usher sports, games, special dances, and banquets. The responsible members of the Usher's club contributed services of collecting and handling money and tickets as well as distributing programs for the various games of basketball, football, wrestling, and plays presented at CCHS. They also served at banquets and sold Taffy Apples during the French Carnival. The active members participated in a field trip to Six Flags and received their first letter for being a responsible member of the Usher's Club of 74-75.

1974-75 Fighting Maroons

The 1974-75 Clinton Maroons Varsity Football Squad held a record of 2-7. Along with the excitement of the games came the tragedy of injury. Jack Mills, an offensive and defensive guard, was severely injured at Central Catholic, putting the Fighting Maroons at a disadvantage. Though they lost their most valuable players, they still had the inspiration to fight for a winning Homecoming game from I.V.C., 9-6. Even though the Maroons didn't have the winning season they would liked to have had, they were a powerful team that held a stiff competition to their opponents.

Freshman Football

The freshman football team, coached by Mr. Gary Reineck and assisted by Tim Miece and Steve Gillen had a record of 0-8-0. Outstanding players for the season were John Wright, guard; Kevin Mandrell, offensive and defensive back; Fred Bruner, offensive back and Randy Pound, guard and defensive end. The only injuries throughout the season were two broken fingers. Coach Reineck said that the team improved throughout the season and they will have a good future if they will continue to all work toward success.

Sophomore Football

The sophomore football team, coached by Mr. George Wylder and Mr. Mike Worthall and managed by Norman Hoback, had a 1-5-1 season this year. Outstanding players this year were Tim Wylder-offensive and defensive guard, Phil Nixon-fullback and defensive back, Dan Brady-offensive end, and Tim Evans-offensive guard and defensive end. Fortunately, there were no serious injuries. Coach Wylder said that the team played good football in most of their games. There were several bright spots and many of the squad will play for the varsity next year.

Fall Sports Senior Stars

The coach of the 1974-75 Clinton Maroons football team was Mr. William Neibch. When asked to comment on how each senior star played this season, he gave us the following comments:

Gary Bray - Tackle
"Fine football player. Outstanding young man."

Scott Oakman - Guard
"Quick, strong, Scott has an excellent attitude-good athlete."

Steve West - Fullback
"Steve's injuries prevented him from having a good year."

Dan Cummings - Quarterback
"Dan was plagued by injuries and he was slowed down most of the season."

Mike Fink - Halfback
"Good athlete. Mike worked hard and had a very good attitude."

Scott Peipenbrink-Halfback
"Scott had a good year-ran the ball very good."

Sam Rainey-Center
"Very good blocker. Sam was very consistent."

Randy Thomas-Halfback
"Randy had some good games as a defensive halfback."

Stan Harris-End
"Stan did well- he didn't have the experience that others had. Caught some good passes."

Jackie Mills-Guard
"Jack was an excellent player. The Maroons really missed him after his injury."

Steve Wilson-End
"Steve caught the ball well. He had a good year with very little previous experience."

Cross Country

This year the cross country meets were all held in September and October. The Clinton team, coached by Mr. Austin, participated in a total of thirteen meets. In cross country, as in golf, the team with the low score wins. The first meet was held with Mount Zion on September 10. The score was 15-40 with the Clinton team coming out on top. During the remainder of the season Clinton came up against competition from Mount Pulaski, Delavan, LeRoy, U-High, Monticello, Central Catholic, and Argenta. On September 21, Clinton placed tenth in a meet with seventeen other schools. Clinton placed twelfth out of nineteen schools on October 10, and on October 19, Clinton took eighth place with a total of 19 schools in competition. In the last meet of the year, October 22, Clinton finished fourteenth out of several schools in a District meet. Mr. Austin's team won a total of six meets in regular season competition. The team consisted of five juniors and two sophomores. The juniors are Mike Bundy, Hershel DePremo, John Lappin, Berle Powless, and Ed Wahl. The sophomores include David Duran and David Jones.

Fall Sports Banquet

This year's fall sports banquet was held on November 19 in the commons area. Members of the football team, the cross country team, and the cheerleaders were honored. After the meal, attended by students, parents, and teachers, the awards were presented. Jackie Mills was honored as most valuable in football and the most valuable in cross country was Berle Powless.

Freshman Basketball

The freshman basketball team coached by Mr. Mike Worthall had a 14-6 record this season. Besides having a good record, they won the Christmas Tournament. At the end of the season they held first place in their conference, but in the Conference Tournament they placed fourth.

Outstanding players with their positions this year were: guards-Jeff Rasor and Doug Harris, center-Dennis Harris, and forwards-Jeff Bell, Kirby McDonald, and Jay Jenkins.

Mr. Worthall feels that this has been a very rewarding season in terms of individual and team development. As well as the won-lost record.

Mr. Worthall commented that this is a very good basketball team. They play very well together, have balanced scoring, and are hard working and unselfish. As long as they continue to play as a unit in this manner and style, they will continue to be winners on and off the court.

The girls' basketball team, coached by Mrs. Frost, put in a tremendous amount of time and effort this year working to keep a girls' team going. The girls weren't always awarded the recognition they deserved and it seemed that they often had to work around the schedules of other activities. They may not have boasted a winning record but they certainly deserve to be commended for their determination.

Winter Sports Banquet; March 20, 1975

This year's Winter Sports Banquet was held in the commons of the high school on March 20, 1975. Those attending included the wrestling team coached by Mr. Tom Bartkus, the basketball team coached by Mr. Jerry Jenkins, and the girls' basketball team coached by Mrs. Cathy Frost. Receiving awards for wrestling were: Most Valuable Player-Scott Oakman, Most Important Wrestler-Phil Nixon, Most Pins-Scott Oakman, and Most Valuable Wrestler Junior Varsity-Mark Welch. In basketball Eric Miller received both the Most Valuable Player and the Most Free Throws awards. Dick Sturgeon received the Best Defense award and Steve Wilson received the Most Rebounds award. This year on the girls' basketball team Debbie Mc Feeters took the Most Valuable Player award. The Best Defensive Player award went to Ellen Spencer, and the Best Offensive award went to Debbie Brady. Mary McGarry was awarded the Best Sportsmanship award with Carol McGarry receiving the Most Improved Player award. The Best Hustler award went to Marveta Finfrock. Letters were given out to eighteen boys this year. Mr. Bartkus distributed letters to nine of his wrestlers and Mr. Jenkins gave letters to nine basketball players. Although the girls on the girls' basketball team do not receive letters they all will receive an award for participation.

Varsity Baseball

Clinton's 1974-75 Maroon Baseball team was very young. The Maroons fielded only one senior and four juniors. Although young and rather inexperienced, the Maroons managed a good season. One bright spot in this year's season was the winning of the Lincoln Regional. Throughout the season, the Maroons lost several contests which could have easily gone either way. Coach Lehman thinks next year's team will have a good shot at winning the conference title.

Girls Track

This was the first year for girls' track at CCHS. With the help of coach Denise Belanger, the 17 girls had a record of 1 - 3 and tied fifth in the conference game. The outstanding players were Carol McGarry, high jump and mile run; Peggy McCarty, sprinter; Jacqui McClure, hurdles; Jacqui McClure, Debbie Brady, Peggy McCarty, and Sue Bush, 440 relay team. The team improved greatly this season and the girls really worked hard. The team was young, consisting of a majority of freshmen. They expect to be real tough competitors next year if the same girls come back, along with some new ones. They also hope to schedule more meets next year and to overcome the problems a sport has when it is just getting started.

Mrs. Sara Kleinschmidt, student teacher in the Math Department, was an enormous help to the track team as assistant coach for the season.

Back Row, Left to Right: Assistant Coach Sara Kleinschmidt, Jacqui McClure, Mary McGarry, Debbie Brady, Carol McGarry, Greta Rempe, Sandy Glenn, and Coach Denise Belanger. Second: Sharon Glenn, Peggy McCarty, Tammy Spencer, Barb Bardwell, Lajuana Armstrong. Front: Terri Austin, Sue Bush, Missy Westray, Vickie Shallenbarger, Marti Baker, Jann Austin, Michele Jones.

A Very Successful Season 1975 Golf Team

The Varsity Golf Team's 1975 season proved to be very successful. Under the coaching of Mr. Mike Arnold, who teaches in the Social Studies Department, the team won 15 games, lost 5, and tied one.

This year the team consisted of 12 members.

The co-captains this year were Sam Rainey and Steve Wilson, who were also the seniors of the team. The rest of the team showed strong representation of the other classes with 3 juniors, 5 sophomores, and 2 freshman rounding out the squad.

Distinction this year came to two of the team members. At the Heart of Illinois Conference Meet held at Highland Park in Bloomington, Steve Hettinger tied for third place out of the ten teams competing in the meet. Besides his tying for third, Steve also shot the low round record of 73 during the conference meet. The other distinction went to Brad Epperson. As the most valuable player for the season, Brad shot a season average of 41.3 giving him the lowest average of the team members.

Commenting on the season. Coach Arnold said he was very pleased with the team's performance this year. He added that "this WINNING season is the result of a lot of practice . . . They all made an excellent effort.

Varsity Lettermen

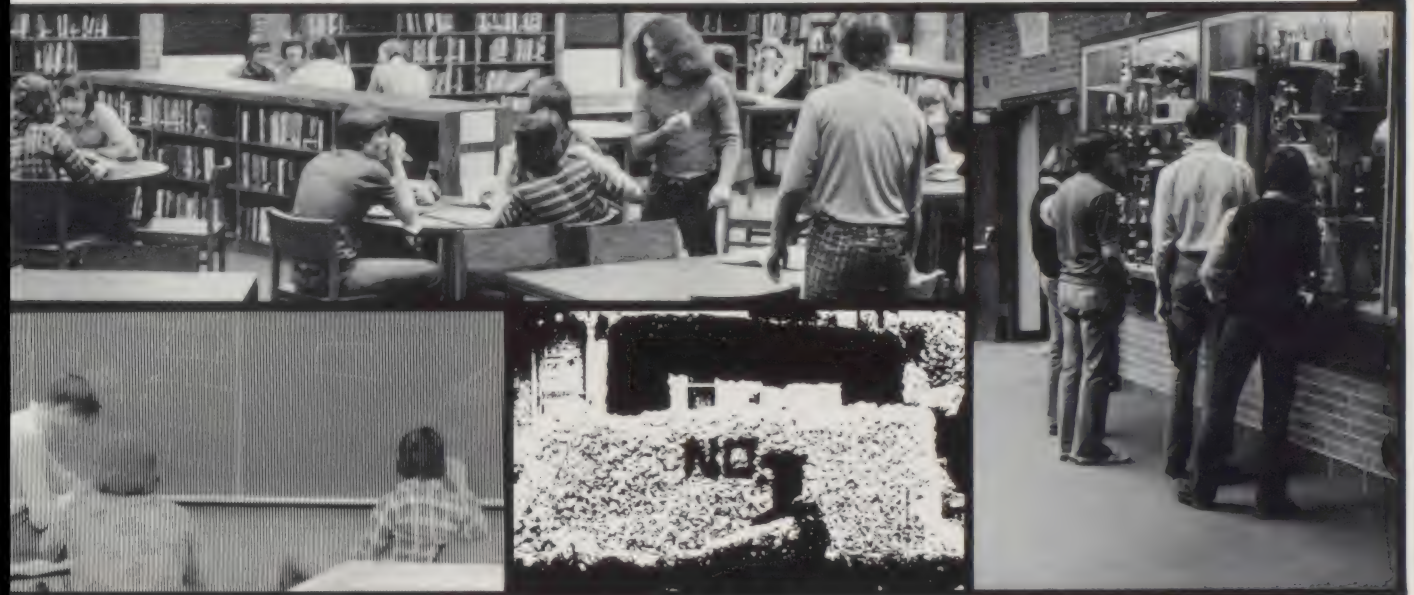

The Senior Year:

The Senior year is the year in which every Freshman looks forward. It is the last year of school and the most enjoyable. Everyone is making plans for his future life.

The Seniors started off the year by selling light bulbs. The money went towards our class trip to St. Louis. Next came the Homecoming. A lot of hard work went into our float. The title of the float was "Steam IVC". Twenty-eight senior girls tried out for the Homecoming Court. Five senior girls were chosen Friday night and Saturday night was the dance. Many Seniors attended both the football game and the dance, since this was the last high school Homecoming they would have. In May we attended the Junior-Senior Prom. Almost everyone looked forward to that night. On May 26 & 27 we went to St. Louis on our class trip. We visited the zoo and Six Flags, then we took in a Cardinal Baseball Game. We ended the year on May 29, our greatest accomplishment ever. Graduation!!! We all looked forward to this night, when we made our first step into the adult world. We hope to have set an example to the underclassmen that it is worth the hard work to become a Senior and to be awarded the Clinton Community High School Diploma.

What Does A Junior

As Juniors busy and active, they are finally able to enjoy some of the advantages of upperclassmen. Those advantages bring responsibilities: Planning the Jr.-Sr. Prom, thinking about the Sr. class trip, and taking college pre-entrance exams. A Jr. must survive American History only to look forward to Consumer Ed. It is a memorable year, and one in which a busy Jr. must make some important decisions that will have lasting effects on his future.

JUNIOR CLASS OFFICERS, (Left to Right): Leesa Rogers, Secretary; Mike O'Neill, Treasurer; Dennis Leggett, Vice-President; Mary Glasson, President.

Sophomore Year Is

For an average high school sophomore, his second year can be quite busy. At the beginning of the year, activities such as football, band, Pon Pom girls, besides his classes, take up a lot of his time. Working on the Homecoming float and participating in the Homecoming Parade is always a fun event, along with the dance on Saturday night. Another fun time is the basketball games held through December and February. Later on in the year, the big issue for the student is ordering his class ring. Deciding which kind of ring he likes best and picking the color is usually a hard choice to make. A few months later the class rings are in and everyone delights in showing off his ring to friends. Most of all though, the sophomore must make important decisions that will influence his career and his future.

The Freshman Year —

During the '74-'75 school year, the Freshman class was under the direction of Mr. Monroe. He supervised the selling of message boards, the class' major project of the year. They also constructed a Homecoming float, which, unfortunately, fell apart on its way to the parade. With the profits from the message board sales, the class held a banquet at the Open Hearth in the spring.

Acknowledgement

I would like to thank those people who made this yearbook possible. I thank the teachers and staff of the high school for their cooperation and patience. I especially thank Mr. Glenn for his interest and assistance. Furthermore, the ability for us to produce this yearbook comes from the interest that our subscribers and advertisers have shown. For this they also deserve many thanks.

In addition to these, there are many people who were great help in publishing the book. I appreciate their work and patience in dealing with me and the interest they had in producing the best book possible. For the staff I hope this year was both enjoyable and personally satisfying.

Many of the changes and improvements that were made this year could not have been possible if there had not have been someone to show me how to edit a book or to give me ideas and guide me in bringing them to life. The credit for this goes to Mrs. Miller and Mr. Cocagne who were invaluable to me as advisors.

As a last note, I would like to thank our outside photographers, Mr. McKinley, Mr. Spray, and Mr. Spurrier for their time and talents. I would also like to thank our darkroom assistants, Les Cisco, Norman Hoback, and Mike Laramée, for their help with a time-consuming but important job.

A Time It Was . . .

And What A Time It Was!

Rick Zeigler

June 10, 1975

"Death is never easy,
it is always a shock
and is always hard to face.

But it is especially
hard to accept in a young
person.

For death forces us to
examine ourselves--
to do some soul-searching
and thinking
about what we're here for.

What does it mean?
Little more need to be said as
to how deeply it
affected us all--
especially the Junior
Class."
